Dear Mr. Newton:

Thank you for accompanying me on our recent trip to Wise County to visit several prospective sites for potential EDS projects. I enjoyed speaking with you and learning more about the EDS Corporation. I hope the experience helped to reveal the wide array of resources available in Southwest Virginia. As I have stated, I believe that several of the sites we visited are perfectly suited to answer the needs and demands of a call center.

I look forward to continuing to work with you and representatives from Electronic Data Systems Corporation to facilitate the realization of this endeavor. I believe this is an excellent opportunity for Virginia, Wise County and EDS. I will remain committed to this project to see that any and all available resources are provided to you.

Again thank you for joining me on our exploratory trip to Wise County. Please do not hesitate to contact me if you have any questions or if you need assistance in any matter.

Sincerely,

Carthan F. Currin, III
Executive Director
